President Dwight Eisenhower  
The White House  
Washington, D. C.

Dear Mr. President:

On December 15th, we wrote you as per attached copy...  
no reply to date.

WHAT is more important to our Nation than our young  
children???? Certainly, nothing we can think of,

POLIO CAN BE BOTH PREVENTED AND SUCCESSFULLY TREATED.  
Why not give these FACTS to the public and save  
thousands of lives?

WHY permit any charity "racket" to side-step PROVEN  
prevention and PROVEN treatments of Polio victims  
while they "brainwash" the public and fleece them  
out of "millions"? This unchristianlike racket must  
be eradicated NOW.

Today, the A.P. reports on your Health Program, aimed  
at "better health for a stronger America". It further  
quotes you..."for half of mankind, disease and Dis-  
ability are a normal condition of life". Let us hope  
this quote is in error, as both you and I, as  
Christians, KNOW GOD never created any living thing  
to suffer from either Disease or Disability. Our  
Bible teaches us the TRUTH.

Spending billions for new hospitals, clinics, medical  
schools, medical research and health insurance is but  
a sham and NOT the true answer. PREVENTION and right  
living is the answer. "SO-CALLED" MEDICAL SCIENCE IS  
ATTEMPTING TO CREATE A HEALTHY (?) RACE THROUGH  
IMMUNIZATION. MR. PRESIDENT, THIS WON'T WORK...IT  
WILL ONLY CREATE A CHRONICALLY-ILL RACE.

No one needs to suffer from the common cold, polio,  
cancer, heart trouble, etc., if they but eat and live  
as God intended, and as He put our foods on earth to  
be eaten in their natural forms.

President Eisenhower  
February 1, 1955  
Page 2

Civilized man creates most of his own illness by eating modern, devitalized, demineralized, adulterated, poisoned, DEAD food. No wonder 12% of our citizens spend an average of 10 days per year in hospitals. People, who live on foods as God put them on earth, NEVER suffer from colds, polio, cancer, heart trouble, etc.

Polio is basically CONSTIPATION...so easily, successfully treated.

As our President and leader, we pray for a Federal investigation into the TRUTH ABOUT POLIO. Please, Mr. President, let the public have the FACTS and thereby prevent thousands of unnecessary DEATHS.

Respectfully yours,

POLIO PREVENTION, INC.

A large, stylized handwritten signature in black ink, appearing to read "D. H. Miller". The signature is written over the typed name and title.
